

BEECH FORK STATE PARK **SPRING CLEAN-UP**

PRE-REGISTRATION FORM **Free camping and/or participation**

The 2010 WV Make It Shine Statewide Cleanup is sponsored by Governor Manchin's REAP initiative within the Department of Environmental Protection and the Division of Highways. If you are interested in participating in the Beech Fork State Park Spring Cleanup please read the material below. This will be the second year we have offered free camping and hope that this will bring out folks that normally don't camp this early in the year. Over the past several years with this clean up, we have removed over 50 tons of garbage and hundreds of tires.

Folks young and not so young, families, and individuals all working together for the betterment of our state park has proven to make this event not only productive, but enjoyable for all participants. We are very appreciative for the support shown by state park patrons in this event and looking forward to a bigger and better clean up in 2010. If you have any questions please contact 304-528-5794.

- Free camping will only be valid for Friday April 2, 2010 and Saturday, April 3, 2010.
- The cleanup is one day on Saturday April 3, 2010 at 8:00 a.m. and end at 5:00 p.m.
- All members of your camping party must participate in the cleanup to be eligible for free camping.
- If any of your camping party cannot participate for the full eight hours, please contact the Park Superintendent or Assistant Superintendent.
- Lunch will be from noon to 1:00 pm and be provided by the park.
- All participants will have to fill out a volunteer agreement form.
- Garbage will be picked up in several different areas throughout the park.
- All participants will need to pre-register for a campsite to be included in the free camping weekend.
- Event will be held rain or shine. Please wear boots and work clothes.
